

2025 National Academy Orchestra - Assistant Conductor

The 2025 NAO/BrottOpera Assistant Conductor will assist the Artistic Director and all guest conductors on all programs at the Brott Festival, including classical orchestra concerts, opera, Pops, and more.

Video Recording Requirements

Fill out the online application and request a recorded submission. You can attach the link to your recordings at the end of the application if you wish.

- No more than 30 minutes total.
- Footage should be of rehearsals AND performances.
- Preference for footage in front of an orchestra or chamber ensemble.
- Applicants should show a variety of skills.
- Multiple selections if possible.
- Camera face on preferred.
- Good quality audio recommended.

- We prefer recordings to be attached to the application and please make sure your recording submission is compatible with a PC computer, not a Mac. You may mail a DVD as well, but it must arrive prior to the deadline.
- Please include your name and list of what you are playing in an email or mailed in with your DVD
- Please clearly mark the DVD with applicant's name, track titles and composer and title of each selection. (If sending a DVD)
- Along with application and recording, please submit a page or two describing your conducting aspirations, experiences and what experiences and understandings you are hoping to gain from potential involvement with the Brott Festival as Assistant Conductor. Please briefly describe your experiences in the following: orchestral conducting, opera conducting, contemporary or early music conducting, accompanying and performance.
